Christian County Sheriff's Office
Sheriff Tyler DeArmond,
Official Custodian, & Custodian of Agency's Records
701 West 7th Street
Hopkinsville, KY 42240

2020/ August 6/

Dear Sheriff Tyler DeArmond, & Agency Records Custodian,

In 2016 I was forced to leave and seek refuge outside of the United States, due to a series of false arrest and denial of due processes. The last officer that made false arrest against me, Deputy David King, is now employed by your agency. For the protection of the Constitutional and overall welfare of the citizens in your jurisdiction, I'm asking that you investigate my claim of false arrest. If your agency decides to investigate my claim please advise me of such via email: Reform@DeputyDavidKing.com and I'll provide you with a preponderance of evidence regarding the hazard that Deputy David King presents to the Christian County community.

To help ensure that I have my facts straight and as a curious matter, I'd like to know if Deputy David King was forthcoming with his work history, prior to his employment with your agency.

Pursuant to the Kentucky Open Records Act - KRS 61.870 – 61.884

I'm requesting a copy of the CV, Resume, and Application that Deputy David King supplied your Department, that resulted in his employment.

If the requested items are available in digital format and are emailed to: Reform@DeputyDavidKing.com, that would be greatly appreciated.

Again, I sincerely hope you investigate my claims of false arrest... as a means to assure the integrity of the Christian County Sheriff's Department and the safety of the citizens therein.

Yours sincerely,

A handwritten signature in cursive script that reads "James Samples".
